PATRICIA PLAYTER... Offers Advice

Bedspread Expert Will Visit Firm

Miss Patricia Playter, Fashion consultant for Bates bedspreads, will appear in the bedspread department of the Broadway-Del Amo on Oct. 26, 27 and 28.

Miss Playter considers that choosing a fashion-wise bedspread takes just as much consideration as buying a fashionable dress. She gives advice on color schemes and illustrates, by means of a color coordinator chart which shows at a glance, which colors are right with each other. She believes that a great majority of women choose a bedspread by color alone.

Cotton is the most popular fabric and it is ideal for more casual living as well as very elegant bedrooms. Cotton spreads range from jacquard and candlewick to heirloom. Miss Playter will also explain how to wash and care for bedspreads.

to hear?—BIG PITCHERS
Dear Big Pitchers: Your parents know it's wrong to gossip and they think the phrase "You kids aren't supposed to hear" excuses them. Or maybe they think that by some miracle you will become deaf at the moment.
Next time say "If we aren't supposed to hear, why not wait till we aren't around?" This will come as a jolt and parents SOMETIMES learn from their children.

Are you tempted to smoke because the crowd does? If so, send for ANN LANDERS' booklet, "Tossing Smoking," enclosing with your request 20 cents in coin and a large, self-addressed, stamped envelope.
(Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.)
